HEALTH GRANT

Ngāti Tūrangitukua Charitable Trust (NTCT) approved a health grant budget of \$20,000. This will be reviewed annually. The NTCT is committed to distributing to as many of Ngāti Tūrangitukua as possible therefore, a koha of up to \$500 per application will be considered. All registered hapū members can apply for; Dental, Eyesight, and Hearing assistance. (See criteria below)

Note: you must be registered on the Ngāti Tūrangitukua data base. Registration forms are available via our website or please phone the office on **07 386 6630**.

Beneficiaries interested in applying for minors under 18 years of age are encouraged to do so. Kindly provide their name and relationship to you.

Health Grants are considered at the discretion of the trustees however, generally considered from **1 July to 30 June** or until the set budget allocation has been depleted. If you are seeking to apply for more than one item a separate application form will need to be completed. Applicants can apply for one item every second year, for example if you apply for hearing assistance in 2024 you will not be eligible for further hearing assistance until 2026, however you may apply for dental work in 2024.

For those who have already paid for treatment, NTCT will reimburse the applicant directly upon receiving a copy of your receipts. For those who are supplying quotes for work to be done, the Trust will pay the service provider.

Any contact information provided by members will be forwarded to the Whakapapa Committee. This is to ensure that the details of all registered members are kept accurate and up to date. The Whakapapa Committee is responsible for maintaining the confidentiality of the information in accordance with our privacy policy.

The Health Grant Policy is linked to the Long Term Debtors policy, whereby beneficiaries who owe over \$500 to the trust may not be eligible for a health grant.

The Ngāti Tūrangitukua Charitable Trust reserves the right to decline health grants at their discretion. Other Tūwharetoa entities that may supply health grants:
